

DEPARTMENT OF MATHEMATICS**GRADE 1 TO 3****TERM-3, ACADEMIC YEAR 2016 – 17****ANNOUNCING THE NUMBER BONDS COMPETITION**

Grade: 1

Day: Monday

Date: 24-04-2017 (during the Math period)

Objectives: to support and develop cognitive skills and to promote students' achievement.

Importance of Number Bonds

Number bonds help students to see that numbers can be broken into pieces to make calculation easier.

With number bonds, students recognize the relationships between numbers through a written model that shows how the numbers are related.

Procedure: Different numbers will be given to the students to break into parts or to find the whole of the given parts in the specific time limit.

The winners will be selected on the basis of accuracy.
