

$$3 + 3 = 6$$

ANNOUNCING

The Dept. of Math feels pleasure to announce the

Math Olympiad – Season 2

(2017-2018)

for Grade 3

on

Tuesday 27th February 2018

Math Olympiad contest aims to foster an interest in Math and enhance the mathematical skills of **Outstanding Students** through team-based competitions.

The highly capable and motivated students of grade 3 have been selected to participate in this competition.

It is our continuing hope, that the students' exposure to this academic event will spark interest and enrich their abilities in Math.

Get ready for the ultimate quizzing event of the year

$$7 - 2 = 5$$
