Dear parents,

The English Department is delighted to announce **Social Studies Elocution Competition**, for Grade 2 which will be held on the following date during the school hours:

A rich vocabulary and lot of conviction is required during an elocution competition. An elocution competition at school level give students a good opportunity to combat with the biggest fear factor i.e. stage fear. This allows the student to connect with the audience and also understand the concepts of voice modulation. Practice is very much essential before going on stage and the preparation must be a sincere effort. It helps to build confidence and learn good sportsmanship. Competitions also encourage students to adopt innovative techniques and develop their ideas and skills.
