Student & Parent Guide to Online Educational Resources and Digital Access

Introduction

Dear Students and Parents,

Welcome to the Technology for Learning Guide of Al Ansar International School. This guide provides important information regarding student usernames, passwords, online educational platforms, parent portal access, digital learning resources, and school communication channels.

Students are required to use only school-authorized digital accounts to ensure secure access to learning platforms, assignments, assessments, and educational resources.

1. Student Username Format

Standard Username Structure

- Format: **AAISP + Student Code**
- Example: **AAISP123456**
- Total Length: **11 characters**

Important Information

- The same username format is used for most online educational platforms.
- Only the **Student Email ID** and **Century Tech Login** include **@alansarschool.net**
- Other platforms such as Parent Portal, Pearson, Raz-Kids, Matific, use the username **without @alansarschool.net**
